

EC-CERTIFICATE OF CONFORMITY

0809 - CPD - 0757

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (the Construction Products Directive or CPD), as later amended, it has been stated that the construction product

Artichouse log building kit

which has been specified in European Technical Approval ETA -10/0233 and which comprises the log frame, windows, doors, intermediate walls, suspended floors and roofing constructions and supplemental constructions as specified in ETA -10/0233

placed on the market by

Suomen Lomakoti Oy

Petikontie 25
01720 Vantaa
Finland

and assembled in

Sodankylä factory

Seitatie 5
99600 SODANKYLÄ
Finland

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body No. 0809 VTT Expert Services Ltd has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of factory production control and performs the continuous surveillance, assessment and approval of factory production control.

This certificate attests that the provisions concerning the attestation of conformity and the performances described in the ETA.

ETA-10/0233

valid from August 19, 2010 to August 18, 2015

were applied and that the product fulfils all the prescribed requirements. For detailed information in relation to the performance characteristics of the product(s), the ETA itself, mentioned above, should be consulted.

This certificate was first issued on August 24, 2012 and remains valid until the date of expiry of the ETA as long as the conditions laid down in the ETA in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.
